- Natural Bamboo silk beads provide gentle, effective exfoliation revealing fresher, younger-looking skin

Reveal Facial System

2 Tubes—

1.7 fl. oz./50 mL each

Part Number: 37340001

PRODUCT DESCRIPTION

Enjoy a spa-like facial treatment in the comfort of your home with the Reveal Facial System—a carefully formulated, two-step process that gives your skin an amazing, youthful glow.

DIRECTIONS FOR USE

- Use once or twice a week, or as needed, morning or night.
- After washing face thoroughly with a dōTERRA cleanser, apply a thin layer of Step 1: Refining Polish on damp, freshly cleaned skin.
- Massage gently in upward circular motions for 1 to 2 minutes. Do not wash off until Step 2 is complete.
- Place a thin layer of Step 2: Peptide Activator on the skin over Refining Polish. Continue to massage for an additional 1 to 2 minutes. This step may cause slight foaming and a warm, tingling sensation.
- Rinse off with warm water or a damp towel.
- Proceed with your regular facial routine of toner, serum, and moisturizer. For best results, use in conjunction with dōTERRA Essential Skin Care products.

CAUTIONS

If skin irritation occurs, discontinue use. Avoid eye area.

INGREDIENTS:

STEP 1: Refining Polish Ingredients: Aqua (Water), Kaolin, *Bambusa arundinacea* (Bamboo) Stem Extract, Sodium Bicarbonate, Bentonite, Butylene Glycol, Glycerin, PEG-8, Cetearyl Alcohol, Hydrogenated Didecane, Polyglyceryl-2 Stearate, Caprylic/Capric Triglyceride, Cetearyl Dimethicone, C12-15 Alkyl Benzoate, Lactobacillus/Pumpkin Fruit Ferment Filtrate, *Citrus aurantifolia* (Lime) Oil, *Citrus sinensis* (Wild Orange) Peel Oil Expressed, Palmitoyl Hexapeptide-12, Tribehenin, Stearalkonium Hectorite, Tocopheryl Acetate, Caprylyl Glycol, Propylene Carbonate, Hexylene Glycol, Tetrahexyldecyl Ascorbate, Tetrasodium Glutamate Diacetate, Cetearyl Phosphate, Ceramide 2, PEG-10 Phytosterol, Ethylhexylglycerin, Leuconostoc/Radish Root Ferment Filtrate, Phenoxyethanol
